Let's have some fun – go Scaleauto!!!!

An extra race opportunity!

On the Sunday 24 May there will be a Swedish Championship event in Klippan, about an hour north of Malmö. The rules are very similar to the endurance event, but no handout. You will find information about the series as well as technical rules at [www.sveslot.nu](http://www.sveslot.nu). There will be practice opportunities Saturday evening and Sunday morning.
